FOREWORD

Just as there are many frontiers to explore in space the completion of our high school careers launches us into another frontier for us to explore, confront and evenutally overcome. Graudation marks a beginning for us. It may represent the end of our young adult lives, but with it come the start of our adult years. As adults we will each have different avenues to explore. Many of us will never meet again, but some of us may perhaps meet again in some unknown place, brought together by yet that same unseen force that enabled us to spend four years living, laughing, learning, and knowing each other at our beloved Kingsway Regional.

Now that it is time to part, go our separate ways, and find our individual happiness we will always remember the four years of our lives that we spent here at Kingsway. The times we spent will forever be fondly remembered. And so the co-editors of the 1986 LANCER wish the class of 1986 the best of LUCK and may your hopes and dreams soar to the skies!!!

Love,

Deepa R. Quadir & Chris Garrett

DEDICATION

Mr. Norman Velykis

The LANCER Staff and the Class of 1986 wish to dedicate the 1985-86 yearbook to Mr. Norman Velykis for his many years of service at Kingsway Regional High School.

Mr. Velykis was born in Woodbury, New Jersey and attended Paulsboro High School. He was in the United States Air Force for four years and worked for Mobil Oil Corporation for two years. He then attended Temple University on a full Athletic scholarship and graduated with a Bachelor of Science degree. After graduating he taught at Clayton High School and the Swedesboro Elementary School. He also coached baseball, football, and basketball at Swedesboro High School. When Kingsway opened in 1963, Mr. Velykis joined the staff as a health and physical education teacher. He was also the Dean of Students.

In 1970 Mr. Velykis attended Graduate School at Glassboro State College, and received his Master's Degree. At the same time he became Vice-principal of Kingsway. In 1973 he became principal and served this position until his retirement.

He is married to the former Margaret Dellaretta and has one son, Ted, also a member of the graduating Class of 1986. Mr. Velykis has given his service to Kingsway for the 23 years that it has been open. We, the staff of the LANCER find it an honor to dedicate this yearbook to Mr. Norman Velykis for his dedicated service to Kingsway for these 23 years. THANK YOU!!!!

APPRECIATION

Ms. Kimberly VanZoeren

Five years ago Ms. Kimberly VanZoeren accepted the task of advisor for the Class of 1986. During those early years, graduation seemed distant with many fund raisers, events, and hurdles to overcome. Despite the difficulties, Ms. VanZoeren with firm dedication successfully coordinated fund raisers and other activities. Because of her expert guidance the Prom was no less successful than the Florida trip or the Senior Picnic. These events will remain in the memories of many and in the years to come looked back with great fondness.

As the Class of 1986 graduates, they would like to take this moment to offer their sincere appreciation to Ms. Kimberly VanZoernen. Her dedication and hard work did not go unappreciated.

June 18, 1967 - May 10, 1985

NEVER MORE WILL THE WIND
Never more will the wind
Cherish you again,
Never more will the rain.
Never more
Shall we find you bright
In the snow and wind
The snow is melted
The snow is gone,
And you are flown:
Like a bird out of our hand
Like a light out of our heart
You are gone.

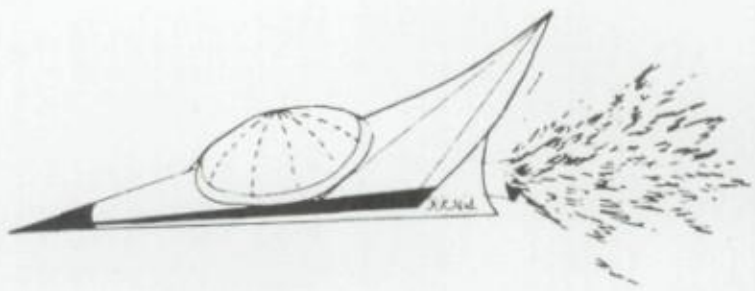
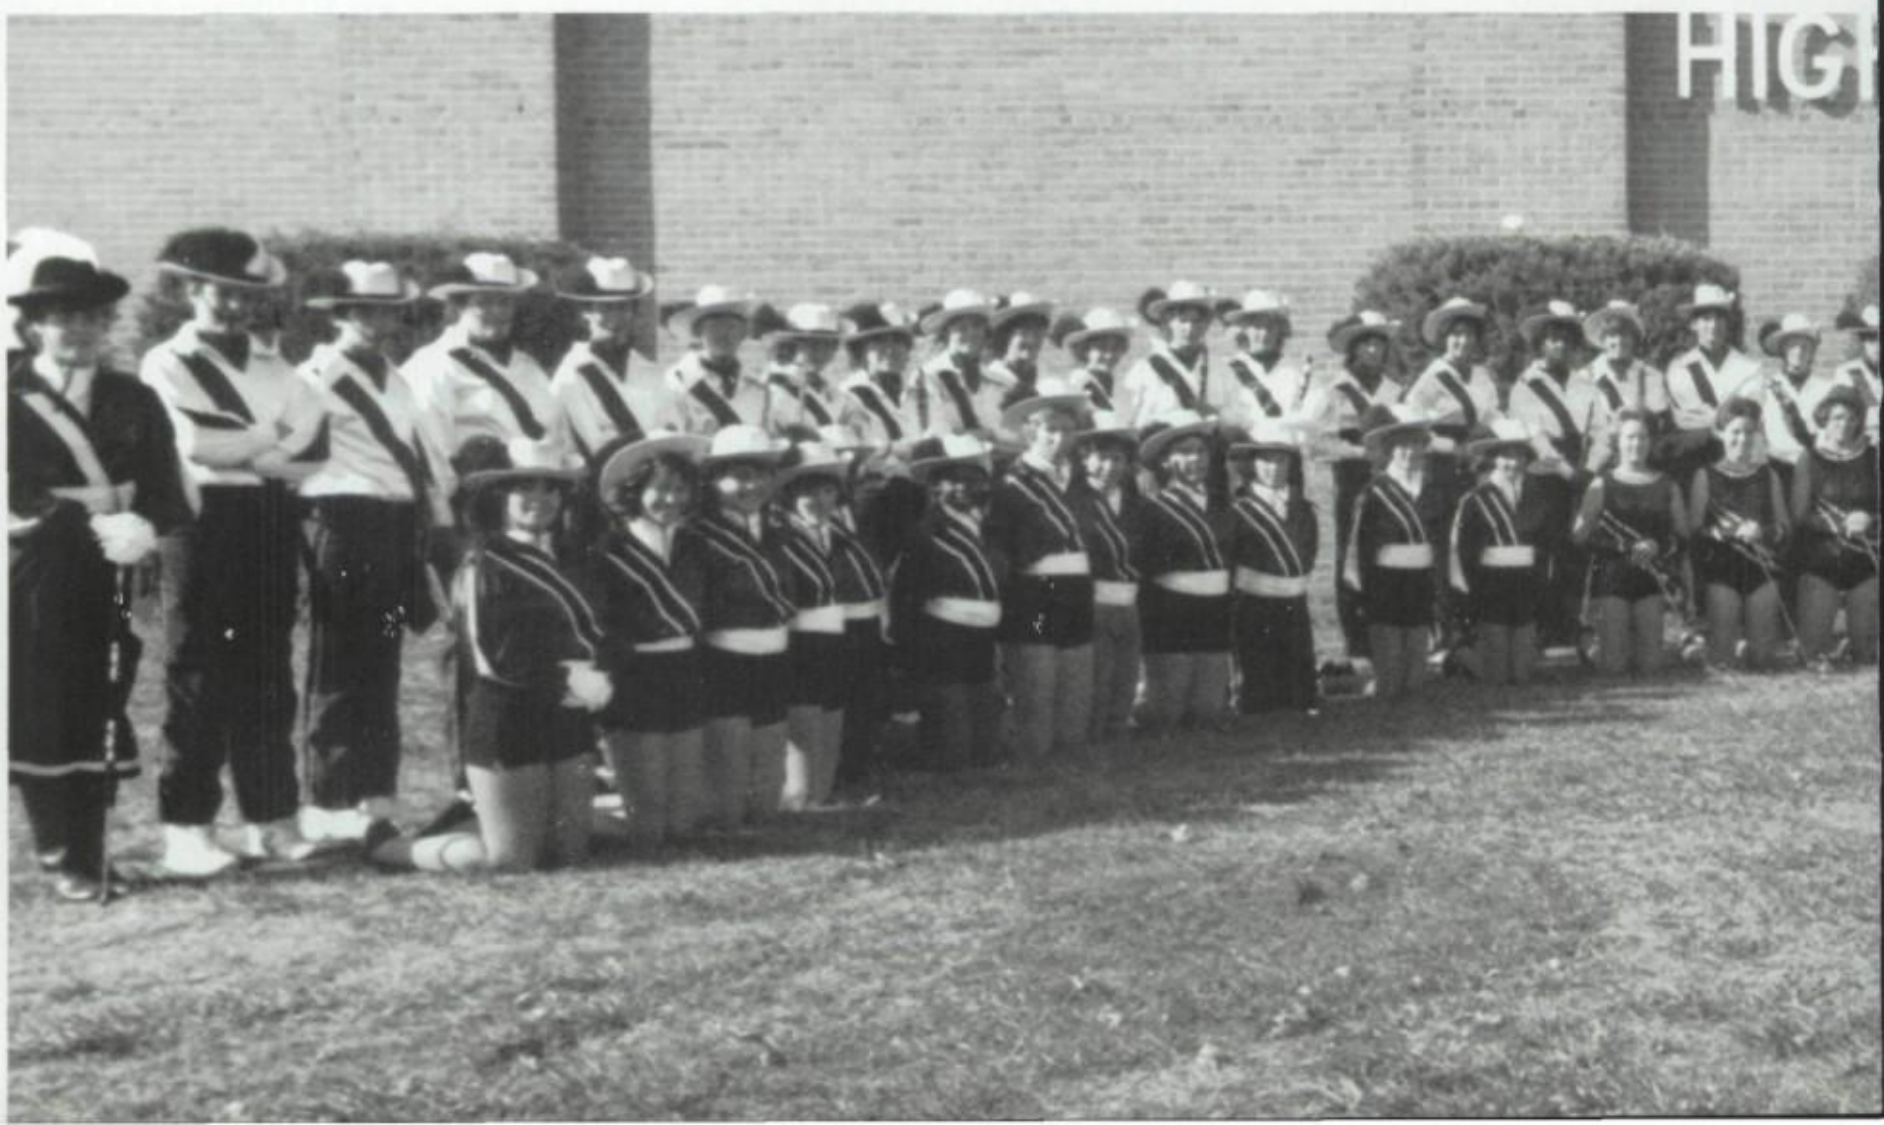
MARCHING



The Dragon Marching Unit enthusiastically reported August 26th to begin practicing for their 1985 - 1986 season. The unit began their season early with a scorching parade in Wildwood. New members were initiated, while veteran members were reminded of past hospital block parties.

Under the leadership of new drum majors Wendy Reeves and Lea Stanley, the unit quickly recovered from their exhaustion to begin their Tournament of Bands competition season at Clearview High School where they placed third. The unit continued their season with competitions at Millville and Lenape High Schools, placing second in each. Buena was the next stop for the Dragons. This competition proved to be one of the most exciting. The unit competed against eight bands and was second only to Cherry Hill West by seven and one half tenths of a point. Although the Cherry Hill Lions placed first, the Dragons received trophies for Best Band Fronts and Best Drum Major awards. Although the unit was disappointed with it's placement, it continued it's season with a fine performance at Gloucester earning a fifth place. Tears were shed as the Dragon Unit finished their competition season at the Chapter I Championships held at Eastern High School. The unit improved its ranking at Championships with an eighth place finish.

The Marching Unit also participated in many parades including the Swedesboro Christmas and Memorial Day Parades and a "frightening: Alloway Halloween Parade. In May, the Dragon Unit traveled to sunny Virginia Beach to participate in the Fiesta-Val Festival.



UNIT

Fond memories of "Cortez", "Five Foot Two", "On Broadway", and "Gaelic Suite" will be shared by departing seniors: drum major: Wendy Reeves; honor guard: Bill Kendig and Angel Smedley; Mascot: Bill Reinerth; percussion section: Jon Thompson, captain, Demetrius Payne, Linda Pino; woodwind section: Lisa Musumeci, captain, Stephanie Kidd; low brass section: Dwight Payne, captain; rifle captains Audrey Jackson and Sue Redfield; flag captains Donna Hampton and April Morgan; squad member Wendy Peterson; majorette captain Amy Barber; and feature twirler Carol Rival.

Many thanks is given to all of the people who have supported the Marching Unit during the year, especially the directors, James Eitel and Marianne Kisela. The many hours of dedication that the directors spent at practice, parades, competitions, football games, and the many hospital visits are greatly appreciated.

The departing seniors leave with many good memories and the knowledge that the Dragon Marching Unit will continue to have many successful seasons.

Respect is honor that is earned and not given but it may be obtained through success. The 1985 Kingsway Soccer Team has gained a great deal of respect from not only their league opponents, but from most of their soccer powerhouses in South Jersey, where they ranked 19th, and finished with a final record of 14-6.

The team came into the season with a dream of winning the Tri-County Conference title (the conference is not broken down into Classic and Royal for Soccer), but their dream was denied to them.

After losing their first 4 out of 6 games, including upsets by Pitman and Glassboro, the team rebounded to win its next 11 out of 12, including 8 in a row.

The team was going into the playoffs with a full head of steam. Their first round draw was Pitman who fell, thanks to a goal by Brendan Garozzo (11 goals). The next game was against perennial powerhouse Riverside also the eventual state champion. The game finished 7-0 in favor of Riverside, a sad end to a grand season.

The team reached this point through steady teamwork, though the offense and defense both had their leaders. The most noticeable was senior center forward Todd Suessmuth. This blond-haired wonder broke both the school and the Tri-County league records for scoring a whopping 42 goals. His accolades included, all Tri-County first team, South Jersey group 1 first team, all South Jersey second team, North group 1 honorable mention, and team MVP (most valuable player). The defense was not without its leaders either. Senior sweeper Gregg Holgate (9 goals), and stopper Sean Cianciulli (2 goals) provided the experience in front of Junior phenomenon goalkeeper, Chris Haines. Awards came to all three of these players: Holgate - All Tri-County first team South Jersey Group 1 first team, North Jersey group 1 honorable mention and coaches awards, Cianciulli-All Tri-County second team, team unsung hero award, Haines-All Tri-County first team. Senior Doug Hargrave, returning from a broken leg the year before, was given the "most courageous" award by his coach John Rajczy.

Coach Rajczy summed up the season by saying "The Magnificent 7 (Suessmuth, Holgate, Cianciulli, Hargrave, Tom Hiton, Dave DeStefano, and Dave Hickman) left their mark permanently on soccer at Kingsway, with a lot of great memories, like the night game against Pitman. In our short existence, we have beaten every team in the Conference at least once.

The excitement and the fun the team shared can never be forgotten; it will be handed down to the younger group coming up with even greater potential.

FIELD HOCKEY

The Kingsway Girls Field Hockey Team achieved an impressive record of fourteen victories and four losses this season. Coach Karyn Picard and Coach Anne O'Neill guided the girls throughout this winning season.

The season began with the girls winning their first four games. With much confidence the girls went to the championships where they played their most challenging game of the season against Gloucester. They played very well in this championship game but were defeated by Gloucester with a score of 1-0.

Some of the outstanding players of the season were seniors Monica Heyward, Brenda Urban, Robin Brown, MaryJo Coyle, and junior Heather Suessmuth.

High goals were set in the beginning of the season and the girls worked hard to reach these goals. Coach Picard summed up the season by saying the girls "played hard and 'gutsy'."

BOYS CROSS COUNTRY

The 1985-86 Kingsway Cross-Country team, under the direction of Coach Tom Bergin, completed its first-ever undefeated season. From the very first practice in September, every member of the team practiced and ran to their fullest potential. The team's strong will and determination was a major factor in the achievement of their undefeated season.

The team's nucleus, consisting of Chris Richter, Tri-captains Donnie Ray, Pedro Vergara, and Steve Miller, along with Joe Billingsley and Jay Jakimowicz, consistently led the team in its eleven victories. The varsity squad was rounded out by seniors Stephen Scott and Jeff Spuler, juniors Tom Gasso, and Steve Williams, and sophomore Bob Prosser. The Kingsway Harriers trampled 5 teams by more than 20 points and had 2 shutouts. Coach Bergin believed that man-for-man, this was the best team assembled.

The meet against Clearview promised to be the Dragons' toughtest obstacle, but the team came through and defeated the Pioneers. The team's enthusiasm was clearly shown as some runners even went to such extremes as to wear war-paint during camtain meets. The Dragon Harriers roared over every opponent in the Classic Division, which eventually led of the Tri-County Conference Classic Division Championships.

Although, the team completed well in dual meets, they were unable to do as well as they had anticipated in larger meets such as the South Jersey Open, Gloucester County Championships, and South Jersey Group 1 Sectionals. They ended the season on a disappointing note, finishing sixth in the South Jersey Group 1 Sectional Meet, which unfortunately did not qualify the team for the State Meet.

Coach Bergin is optimistic about next year's team. Returning letter winners Donnie Ray, Chris Richter, Jay Jakimowicz, Rob Prosser, Tom Grasso, and some possible newcomers promise a bright future for next year's Cross-Country team.

1985 marked the beginning of a new era with the creation of a separate Girls Cross Country team. Amidst speculation and doubt a group of nine sophomores, two juniors, and one senior came together to make history.

The team was led by sophomore Patti Bottiglieri and senior, captain Kelly Sully. Rounding out the top five runners were Melanie Steelman, Ronnie Sumiel, and Becky Piloto. Chelsie Snyder named Mr. Fredericks, "Uncle Pugness" and the team became known as the "Pug Pack."

In the beginning the team set five goals: to have a winning season, to be one of the top two teams in the county, qualify for states, place two runners in the top 15 in South Jersey, and have two members be county all-stars. All of these goals were reached through hard work and dedication.

Patti Bottiglieri finished third in Gloucester County Championships, first in Tri-County Race, 19th in South Jersey Open, third in South Jersey Group I Sectionals, ninth in the State Group I Championships, and went to the meet of champions.

Kelly Sully finished fifth in Gloucester County Championships, second in Tri-County Race, 30th in South Jersey Open, and tenth in South Jersey Group I Sectionals. Both Patti Bottiglieri and Kelly Sully made the County All-Star team.

The team finished the year with an 8-2 dual record, they were second in the Gloucester County Championships, first in Tri-County Conference, third in South Jersey Group I and ninth in New Jersey Group I Championships.

With 11 letter winners returning and a score of new runners already indicating their desire to be a part of the program, "Pug-Pack II" should be just as successful.

The Kingsway Dragon Football team finished the season by winning three of its last five games with a predominantly sophomore and junior class team. The young players matured and with the aid of seniors Ed Johns, Rich Jaramillo, John Vito Vespe, Larry Connors, John McCall, Mike Lambert, Frank Pennell, Eric Randall, Greg Schultz, and Johan Sundlof turned a disastrous season into a season that fills the future with a lot of optimism.

The season started off with straight losses. Things weren't going well, so changes in personnel, strategies, offensive and defensive sets took place. The results were great. The morale of the team which was lost during the first half of the season returned. The Dragons regained their pride and the respect of their opponents. The "new" Dragons played with emotion, enthusiasm and vigor. The whole team, including players, coaches, managers, and statisticians, worked feverishly to win the last 3 of 5 games.

The future is bright and full of optimism with the return of so many fine young players. The most important returning ingredient is pride. The above named seniors deserve a lot of credit for restoring that pride. They made their senior year as Dragon Football Players a great one. they brought the team from the depths of embarrassment to humility to the heights of victory. They have restored the pride back in Dragon Football, and because of them the Dragons will take the field in 1986 with a sense of determination, enthusiasm and pride.

GIRLS TENNIS

The Kingsway Girls Tennis Team led by Coach Tom Schoener did not have a very successful season this 1985-86 season. Things did not work out for the team this year and thus they ended the season with a record of only eight victories out of twenty games played.

Junior Bonnie Pyle played as 1st Singles, senior Kim Schwenk as 2nd Singles, and Senior Angie Hoffman as 3rd Singles. Senior Denise Marchetti along with junior Hilary Hutchison played as 1st Doubles and sophomore Jennifer Hannum along with Jennifer Weiglet played as 2nd Doubles.

The most challenging team of the season was Pennsville. They were strong and consistent and completely dominated the Kingsway Girls Tennis Team as Tri-County Champions. Although this season was not as good as expected, the LANCER staff feels that next year the girls will have a more successful season.

Standing: C. Gibbs, J. Hannum, J. Weigelt, H. Hutchison, Kneeling: V. Nolte, K. Schwenk, B. Pyle, C. Marchetti, A. Hoffman.

The Boy's Basketball team had a tough season this year. In the first half of the season the team lost eleven out of eleven games played. However, they managed to win seven out of ten games played during the last half of the season.

With a relatively young team, Coach Bill Smith and Coasch Paul (Hank) Harrison spent the season rebuilding. Many new young players participated this season in order to prepare for a better season next year.

The highlight of the season was the game where Kingsway defeated Gloucester. Although the team won by only one point it was a joyous occasion. The reason for this joy was that it was the first time in the history of basketball at the school that Gloucester was beaten.

Todd Suessmuth, captain, won First Team Tri-County Classic Division and also First Team Gloucester County. Melvin Carter and Steve Musumeci received honorable mention for Gloucester County.

The team ended the season with a record of seven wins and fourteen losses. Although Coach Bill Smith will not return as coach next year, the LANCER staff feels that the team will have a successful season with the return of more experienced players next year.

GIRLS BASKETBALL

With the return of four starters from last season 15-10 team, the 85-86 season was filled with high expectations. First year coach, Karyn Pickard, and the Lady Dragons, did everything to fullfill, and exceed, the pre-season billings.

Led by seniors Denise Liles, Brenda Urban, Robin Brown, Monica Heyward, Kathy Dawson, and Shirley Monaco, the team won the Tri-County Conference Classic Division Championship, went to the South Jersey Group I Finals, and compiled a 20-4 record. These were all milestones for our school and team.

The season was filled with some great individual efforts as Denise Liles surpassed 1000 points in both and rebounding. The season also brought about the emergence of the "Jams" and the sunglass crowd known as the "Bleacher Bums". It was a Championship season in which our school and community were brought together by a bunch of hustling young ladies being directed by an enthusiastic, energetic, and dedicated coach. It was a season that we all wished would never end. It left us with a great sense of pride for our school, and a feeling of eagerness for the 86-87 season.

WRESTLING

Coach Robert Urion and Assistant Coach Harry Durney led the Dragon Wrestlers through a rough season. As a result of a relatively young and inexperienced team the season ended with only six victories out of seventeen games played.

The top players of the season were Captains Phil Yurgin, Chris Everwine, and Stan Atkinson, and also Jason Clevenger, Ed Yurgin, and Joe Soloman. Senior Phil Yurgin placed 2nd in the District, junior Stan Atkinson placed 3rd in the District, and Chris Everwine became District Champion. Chris also placed 3rd in the State Regional. Overall, the team placed 5th in the District of 29.

Joe Soloman and Chris Everwine became 1st Team Classic Division All-Stars and Stan Atkinson and Ed Yurgin became 2nd Team Classic Division All-Stars. An exceptional moment of the season was at District finals at 122, Chris Everwine beat Dean Duca in overtime on a criteria decision. The team placed 5th at the Oakrest Christmas Tournament and Sportsmanship Trophy .

Although the season was not very bright the team improved substantially. With only one senior leaving the team should be more experienced next season. A hopeful outlook is cast for a very successful season next year.

The Dragon Swim Team had a successful season led by Coach Ralph Baker. The season ended with a record of seven wins and five losses.

This year the South Jersey Swim League formed two divisions; All Group IV and Group III schools in the Pacific Division and the smaller schools in the Atlantic Division. The talented team was looking forward to a possible Division Championship if they could defeate Haddonfield and the two new unknown teams in the League. These two teams turned out to be Woodstown and and Clearview. Clearview and Haddonfield were conquered but the previously unknown Woddies brought a team loaded with talent. Thus, the teams hopes for a championship were lost along with the meet.

The meet with Haddonfield was one of the teams most exciting moments of the season. The dragon swimmers needed a 2nd and a 3rd or a 1st place to win. They took a 2nd and a 3rd and won the meet by one point. This was their closest victory in three years.

Three seniors went to the State Championships. David Pollak qualified in 4 events and Ted Velykis in 2 events in the State Championship Meet. Tracy Cairns qualified to go to the State Diving Championship Meet.

Overall, the team had a very good year. The five departing seniors will leave the team with a rebuilding year in yet a tougher division. Everyone on the team will miss departing seniors: Louise Buchenhorst, Tracy Cairns, Kelly Sully, David Pollak, and Ted Velykis.

The 1986 Dragon Baseball team began the season a little pessimistically since only two seniors were part of the team. However, with the return of pitching sensation Dennis Burlingame the season began to look a little brighter.

The Dragons began the season a bit slowly as the team lost its first five games. The final scores of the games during the season were very close. Their final record of eleven wins and twelve losses clearly showed just how close a season they had. Throughout the season much emphasis was put on pitching and defense.

Some outstanding players of the season were pitcher Dennis Burlingame, third baseman/pitcher, Frabnk Temean, centerfielder, Shawn Donnelly, captain/outfielder, John Vespe, and second baseman Chris Everwine.

Other contributions were made by senior Jeff Spuler, juniors Sam Monaco, Aaron Holt, and Brenden Garozzo, and sophomore Steve Musumeci, Ben Monaco and Ed Matthews.

Head Coach John Russell was extremely pleased with the eleven wins and hopes for an even better season next year. Since the team will only be losing two seniors, John Vespe and Jeff Spuler the team should be more experienced and have a better season next spring.

SOFTBALL

The 1986 Softball team had a season in which all high expectations and hopes were met when the girls became Tri-County Classic champions. The girls strived hard and played well throughout the entire season. Head Coach Marianne Kisela described the team's performance this season in one word — "Excellent".

Several individuals received some much-deserved recognition for their efforts this spring. Pitcher Carol Rival was named to the All Tri-County first team and received honorable mention in the All South Jersey and in All Gloucester County Area. Catcher Denise Marchetti was named to the All Gloucester County Area first team and to the All Tri-County second team. First baseman Brenda Urban was named to the All Tri-County first team and to the All Gloucester County Area first team. Brenda also was named to the All South Jersey Senior Invitational All-Star Team. Third baseman Shirley Monaco was named to the All Tri-County second team and received honorable mention in All Gloucester County Area. Centerfield Bonnie Pyle was named to the All Tri-County first team and to the All Gloucester County Area first team. Designated hitter Sheryl Ferry was named to the All Tri-County first team and second baseman Sandi Miller received honorable mention in All Tri-County.

Some other exceptional players were outfielders Lisa Musumeci, Colleem Mullan, Donna Groody, and Amy Barber, shortstop Stacy Wagner and designated hitter/pitcher Debbie Kidd.

The team had an outstanding season with an overall record of 16 victories and 8 losses. Although many of the team's top players will graduate this year, the LANCER staff fells confident that next year's players will also have a fantastic season. KEEP UP THE GOOD WORK!!!

Standing: Coach M. Kisela, D. Kidd, S. Wagner, S. Miller, S. Ferry, B. Urban, C. Mullan, A. Barber, Kneeling: C. Rival, L. Musumeci, S. Monaco, B. Pyle, D. Groody, D. Marchetti.

Vessels, B. Rode, D. Payne, R. Jaramillo, T. Sullivan, D. Clark, D. Shute, D. Hickman, J. Palladino.

This year's Boys Track team had a spectacular season winning ten out of twelve meets. Led by Head Coach Rich O'Neill and assistant coach Tom Bergin the team went on to win the Gloucester County Championship and the Tri-County Conference Classic Division Championship. Although the team had great success up to this point, they lost the State Championship by one-tenth of a point.

A positive factor of their success was that the team was composed of 60 members. The team was led by seniors Eric Randall, Shawn Ruffin, Ed Johns, and Johan Sundlof.

Some outstanding players received some much deserved recognition this spring. Shawn Ruffin was State Champion in the 100 and 200 dashes. He also won All South Jersey, All Gloucester County, and All Tri-County. Eric Randall was State Champion in the 400 hurdles and won All Gloucester County and All Tri-County. Mike Williams (110 high hurdles, 400 intermediate hurdles) won All Gloucester County. Ed Johns (100-200) won All Gloucester County. Bill Vessels (800) won All Tri-County and received honorable mention in Gloucester County. Johan Sundlof (1600,800) won All Tri-County and received honorable mention in Gloucester County.

Other prominent team members were Chris Richter (1600,3200), Vern Marino (shot), Jay Jakimonicz (3200), Melvin Carter (long jump and high jump), Terry Pratt (high jump), Brewster Ward (200,400), Ed Yurgin and Bob Stumm (pole vault), and Julian Holmes, Mark Borzio and Keith Kuchler (javilan).

Overall the season was excellent. Coach Tom Bergin hopes to continue this winning season next year as "the baton of success has been passed down to the new generation."

SEVEN CHAMPIONSHIPS PLUS 9 WINS 0 LOSSES EQUALS PERFECTION

As successful as the 1985 Kingsway Girls Track team had been it really was only a forerunner to 1986's perfect season. This years edition of the Lady Dragon Track team accomplished what on other athletic team in the history of the school had done - an unblemished record.

It was a year none of the team or fans will ever forget. Head Coach Mike Klaszky and Assistant Coach Milt Fredericks point to the overall team balance as the Keys to success; but there were standouts.

Heading the list was All-American Denise Liles. This outstanding Senior capped off a brilliant high school career with 2 overall NJ State Championships in the 100m and 200m dashes. 2nd year performer Robin Brown lowered her own 800m record by 9 seconds finishing 2nd in the state with a 2-16. Kelly Sully, Ronnie Sumiel, and Ronya Kier teamed with Robin Brown for a state championship in the 1600m relay. Sophomore Patti Bottiglier finished 3rd in the state in the 3200m; Angel Roots scored 10 state championship points in the long jump, 100m and 200m.

As great as this year was don't count the Dragons out next year. While 3 top point performers Liles, Sully and Brown will be greatly missed there are some 25 letter winners returning. They are Carol Simkiss, Becky Piloto and Patty Yurgin. In the weight events, Tonya Kier 400, Ronnie Sumiel and Dawn Hickman in the hurdles and Heather Suessmuth and Patti Boltiglieri heading up a resurgent distance corps, and the multi-talented Angel Roots in sprints and jumping.

Coaches Klaszky and Fredericks are proud of every one of "their ladies" and welcome others to join the effort next spring.

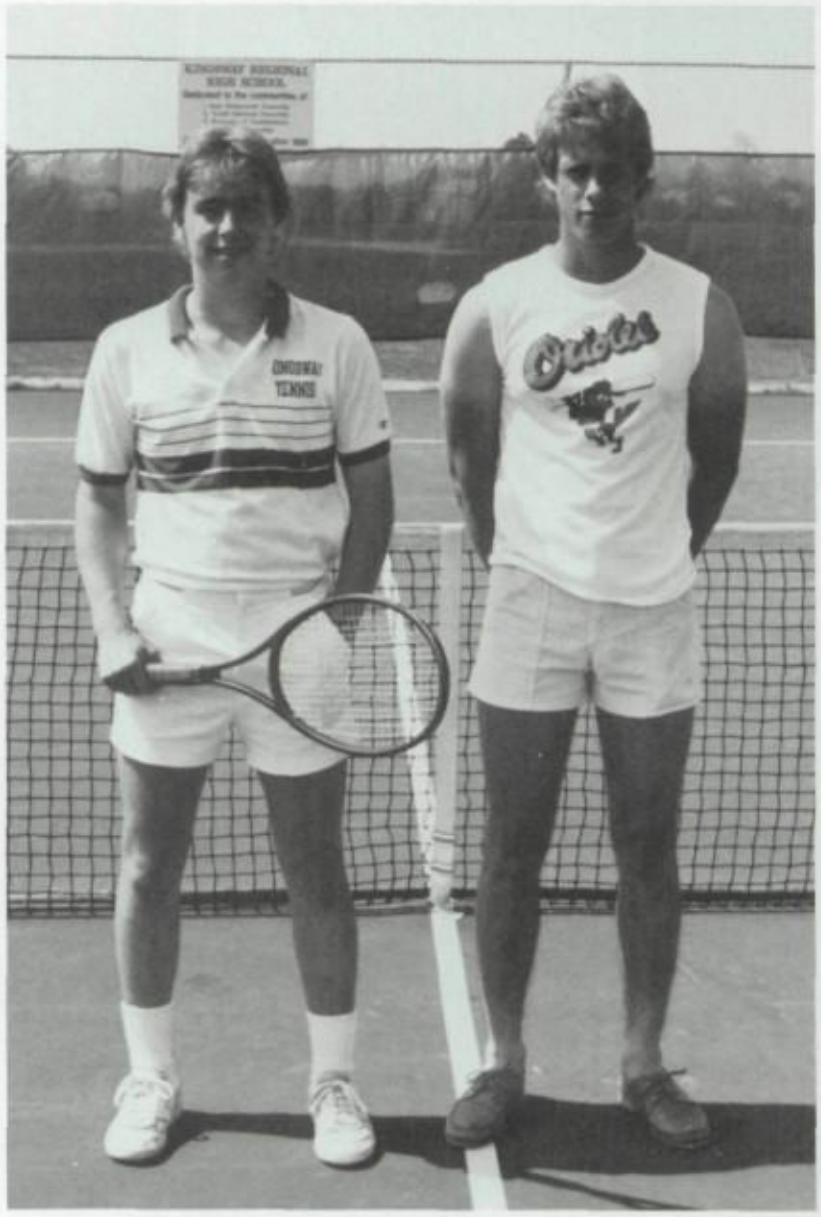
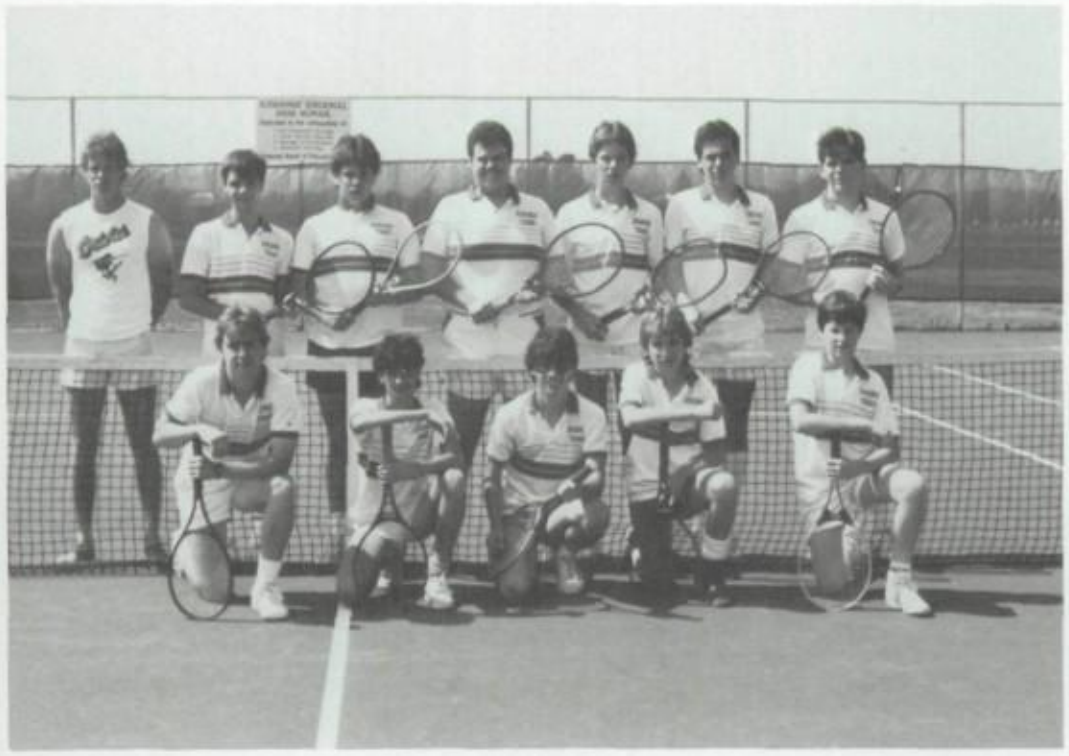
BOYS

TENNIS



The Kingsway Boys Tennis Team started the year with some new faces. The coach of the tennis team this year was John Walker, sophomore tennis star at Gloucester County College. Another new face, Donnie Ray, took over the 1st Singles job. He played against some of the best players in South Jersey. Two more new faces, sophomores Dan Sullivan and Derek Hunsberger, were very successful at 1st Doubles.

Some familiar faces to Kingsway's courts were 2nd Singles Dave Schewenk and 3rd Singles Steve Hurff, who won his last six matches. Bill Kendig, Jon Stewart, and Bill Gibbs rotated at 2nd Doubles. Kyle Borkowski and Dave DeStefano also filled in at 2nd Doubles. With four matches left in the year, Coach Walker yelled, screamed and verbally ripped some players apart. That push was enough for the team to pull four upsets and end the season on a high note.



Standing: Coach J. Walker, W. Kendig, J. Steward, D. Schwenk, D. Sullivan, D. Hunsberger, L. Hoffman, Kneeling: D. Ray, D. DeStefeno, S. Hurff, K. Borkowski, D. Skinner.

STUDENT TRIBUTE

Dear Monica and Missy,

It broke our hearts to see you go,
But alone you'll never be.
You both are sadly missed,
For the times we shared,
But God has a purpose for each of us
and question him we do not dare.
God has sent you home up above,
but even though you're gone.
You'll always fill our hearts with love.

Terri Miller

FOREVER FRIEND

Remember how we used to play,
and laugh, and hide, and run all
day.
Remember all the summer fun,
the late-nights, the burning sun.
Remember all the autumn nights,
the fun trips, the midnight plights.
Not to forget winter and spring,
for all the memories are dear to me.
A lot of days have passed by,
and memories in the mind,
but not forgotten, nor left behind.
Although those days are seen no more,
the memories are not forgotten,
For no dear friend will forget —
the love they have inside them.
